NEWS RELEASE

OPERATIVE INFORMATION FROM AUGUST 25th TO SEPTEMBER 24TH

PeruRail, operator of southern and southeastern routes in this country, inform to passengers, travel agencies, and general public that, due to operative reasons, until September 24th, the tourist services for frequencies 33, 31, 203, 32, 34, and 604, which have Poroy and San Pedro stations as departure and arrival points, will continue operating in bimodal service (bus + train), considering the departure and arrival schedules established for those services.

As indicated in the release issued on July 25th, these trains will operate according to their itinerary, but in bimodal service (bus + train), considering the departure and arrival times established for each services.

Therefore, the bimodal operation for those trains will be according to the following schedule:
