

PERURAIL

NEWS RELEASE

Cusco, September 5th, 2023.

PeruRail, operator of southern and southeastern routes in this country, inform to general public that the District Municipality of Poroy announced the execution of maintenance and resurfacing works for the main road of the Arco Tica Tica section of the national route PE 35 PROGRESIVA 960+400 a 960+700 **from September 5th to 10th**.

Due to this event, which is not related to our company's will, some buses of the bimodal services (bus + train) may register some delays when returning to Cusco during the indicated days. Therefore, the information of those services is detailed as follows:

MACHUPICCHU – OLLANTAYTAMBO – POROY – SAN PEDRO – WANCHAQ

EXPEDITION	604	17:23	19:02	20:52	21:52	

We also let you know that the departure schedule for the buses of the bimodal system between Cusco and Ollantaytambo will continue operating according to their regular schedules.

Likewise, our train services with regular itinerary on the Ollantaytambo - Machu Picchu - Ollantaytambo and Urubamba - Machu Picchu - Urubamba will continue operating according to their regular schedules.

We regret any inconvenience that this event may have caused. Therefore, we recommend our passengers to take the necessary preventive measures in order to avoid possible inconveniences in your travel to Machu Picchu.

For more information and assistance, please contact us through our Call Center at 01-6254848 which is available from Monday to Sunday in order to assist you; otherwise, contact your sales executive.

Kind regards,
PeruRail S.A.
