NEWS RELEASE

TERMS AND CONDITIONS OF HIRAM BINGHAM, A BELMOND TRAIN

Information regarding the reservation and payment policies

We inform our passengers and tour operators that the Hiram Bingham, A Belmond train, has made changes to the terms and conditions of its booking policies for DMC's, tour operators and travel agents.

The new policies apply from July 1st. The prepayment of reservations will be 15%, while maintaining the same deadline:

- Prepayment deadline: 90 days prior to travel date.
- Full payment: 60 days before the travel date.

This modification is due to a new internal procedure that will allow us to purchase tickets to the Inca Llaqta of Machu Picchu, for which we ask you to please send us the complete information of the passengers (names and surnames, nationality, date of birth and ID number) after the prepayment, in order to make this purchase.

We also inform you that this update of terms and conditions applies to new reservations and / or modifications of groups, individuals and series that are made from the date mentioned above. Please find attached the full policy.

For more information, please contact us through our call center at + 511 6254848 or your sales executive.
