Dear friends, we wish you a very happy holiday season!

We would like to inform you that as every year, as safety precaution, we have received the notification of the concessionary of the railway, which restricts the circulation of trains between Cusco and Ollantaytambo due to rainy season. - The service of our Hiram Bingham train will operate under bimodal system, which consists of transfer by private sprinter with boarding at the Wanchaq Station to our own platform at Rio Sagrado, A Belmond Hotel, where passengers will board the train service to Machu Picchu with stopover in Ollantaytambo train Station.
- During the bimodal operation, the return transfer will be offered by exclusive sprinter from Rio Sagrado, A Belmond Hotel, to the hotels where our passengers stay, only if they are at hotels in the center of the city of Cusco.
