

Cusco, 11 August 2025

NOTICE

PeruRail, the railway operator on the southern and southeastern routes, informs its passengers, travel agencies, tour operators and the general public that, in accordance with the notice received from the concessionaire of the Southern and Southeastern railway network, Ferrocarril Trasandino, and due to force majeure requiring infrastructure works on the railway line between Cusco and Poroy, all operations between 12 and 21 August 2025 will depart from and arrive at Ollantaytambo station.

For the Vistadome Observatory, Vistadome and Expedition services corresponding to frequencies 31, 203, 32, 604, 33, 34, and 604, which usually depart from and arrive at San Pedro and Poroy stations, these will be operated via our bimodal service (Bus + Train).

We reiterate that these works are being carried out with the safety of our passengers and staff as a priority. For further assistance, please contact our Call Centre at 01 6254848 or reach out to your sales executive.

We appreciate your understanding.

Sincerely,
PeruRail S.A.
