STATEMENT

REGARDING SERVICE OPERATIONS OF TOURISTIC TRAINS BETWEEN AUGUST 21ST TO 28TH 2025

PeruRail, the railway operator for the southern and southeastern routes of the country, informs its passengers, travel agencies, tour operators, and the general public that, in accordance to the notification from the railway concessionaire, Ferrocarril Transandino, extending the period of work on the Cusco-Hidroeléctrica railway infrastructure, all train operations from August 21st to 28th will depart from and arrive to Ollantaytambo Station.

For the Vistadome Observatory, Vistadome, and Expedition services corresponding to frequencies 31, 203, 32, 604, 33 and 34 which normally depart from or arrive at San Pedro and Poroy stations, these will be operated by our bimodal service (Bus + Train).

We reiterate that these maintenance works are being implemented with the safety of our passengers and employees as our top priority.

For further information and assistance, contact us through our call center 01 6254848 or through your sales representative.

We sincerely appreciate your understanding

Best regards,
