Commercial Procedure and Penalties:

- Any booking paid and not issued (once the term has expired) will be penalized with a 10% or 15% withholding of the booking price, depending on the type of train, issuing the corresponding invoice.
- When a passenger is late for the train departure, he/she loses the total ticket, and must buy a new one.
- Cancellations made within 24 hours prior to travel are considered No-Show. No-Show does not imply reimbursement of the price of the tickets.
- The postponement or annulment/cancellation of the train service may be requested no less than 24 hours before the time set for the start of the service.
- A penalty of 10% or 15% of the value of the ticket applies in the postponement of the train service and change of travel date.
- A penalty of 10% or 15% of the price of the ticket always applies in the cancellation of the train service. This refund will be reflected in a credit note in favor of the travel agency.

MODIFICATION OF TICKETS ISSUED AND CHANGE OF TICKET NAME

- The change of name on the train ticket must be made at least 24 hours in advance of the train's departure time.
- For change of name on the train ticket, PERURAIL will charge an issuance expense equivalent to US\$6.00 per one way, per person (\$12.00).
- Changes of train service shall proceed according to availability and subject to penalty (10% or 15%, as appropriate), plus fare difference. For example, the passenger had a PeruRail Expedition train and now requests a PeruRail Vistadome train.
- If a change from a higher priced to a lower priced train is requested, a penalty is charged. No refund of fare difference applies.
