

Suspension of operations due to fire at km 107 +400**Cusco, August 4, 2026**

5:30 p.m.

PeruRail informs that the concessionaire of the railway, Ferrocarril Transandino S.A. (FTSA), has suspended train operations on the Ollantaytambo – Machupicchu section, due to a forest fire reported at km 107 +400.

The frequencies affected so far are as follows:

From Ollantaytambo
73 , 303 , 603
From Machu Picchu
204 , 74 , 34 , 304 , 504 , 32 , 604

FTSA points out that it is permanently monitoring the state of the railway, and as soon as security conditions allow it, it will authorize the passage of trains to evacuate, as a priority, passengers who are in Machu Picchu. We are pending this authorization and will continue to provide information through our official channels.

Sincerely,

PERURAIL S.A.
